

Memo

To: All Wireless Telecommunication Service Providers
From: The Indiana Utility Regulatory Commission
Date: February 28, 2003
Re: Annual Telecommunications Survey for the Year Ending December 31, 2002

The Indiana Utility Regulatory Commission ("IURC") is required, by **IC 8-1-2.6-4(c)**, to provide Indiana General Assembly's Regulatory Flexibility Committee an annual report on "*...the effects of competition on universal service and on pricing of all telephone services under the jurisdiction of the commission.*" The Telecommunications Division of Indiana's Utility Regulatory Commission has conducted an annual survey of local exchange telecommunication service providers authorized to provide service in the state of Indiana, since 1993. This year, in an effort to be in complete compliance with Indiana Code and report on "*...all telephone services under the jurisdiction of the commission*", the IURC will include Wireless/CMRS service providers in its survey and report.

Enclosed is the first annual **IURC Wireless/CMRS Local Competition Survey**. Please note that this survey closely mirrors that of the Federal Communications Commission's ("FCC"), which is used in generating their "Annual CMRS Competition Report." Please complete the form, reflecting data as of December 31, 2002, and return it to the IURC Telecommunications Division by **April 14, 2003**. As an authorized Wireless provider, as ordered in Cause Number 37896-S1 approved November 12, 1986, you are required to provide the Commission with the information in accordance with **IC 8-1-2-48, 49 and IC 8-1-2-52**. All questions should be directed to either Aisha Goens at (317) 233-5249, agoens@urc.state.in.us or Mark Bragdon at (317) 232-4708, mbragdon@urc.state.in.us.

Thank you in advance for your timely cooperation and assistance. Your response enables the Indiana Utility Regulatory Commission to inform the Indiana General Assembly about changes in the status of competition for telecommunications services in Indiana. The result of our most recent survey was published in October 2002 and is entitled ***Telephone Report to the Regulatory Flexibility Committee of the Indiana General Assembly***. This report is available on the Commission's website at www.state.in.us/iurc.

Sincerely,

Aisha L. Goens
